

## CELEBRATING AFRICAN CULTURE, DIVERSITY & KINDNESS

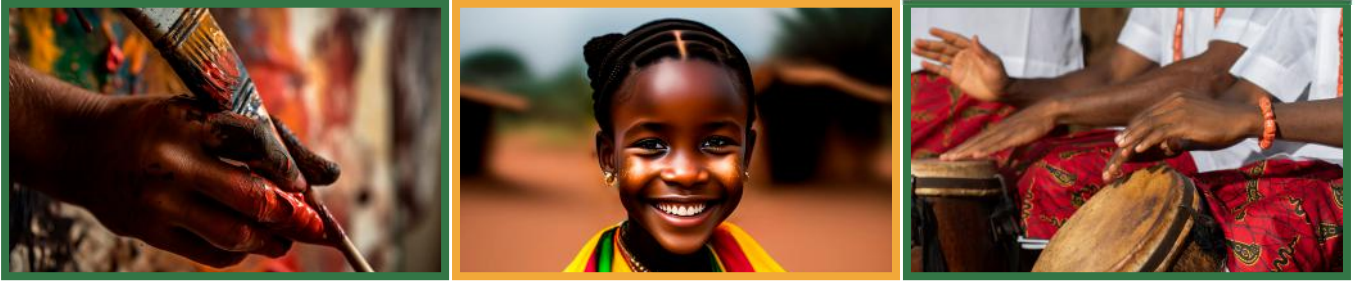

Afrikindness is excited to introduce the Africa Awareness Week, a special initiative aimed at promoting cultural awareness, diversity and kindness among students as part of the Black History Month celebration. The week-long event will engage students in a vibrant exploration of African cultures, stories and history. We believe that fostering a deeper understanding of Africa will contribute to a more inclusive and compassionate society.

The Africa Awareness Week will provide teachers with a comprehensive curriculum pack containing a variety of activities and resources to facilitate learning and engagement. The curriculum pack has been carefully designed to align with learning objectives and cover a wide range of subjects including social studies, geography, literature, arts, and more.

### Key Objectives of Africa Awareness Week:

1. **CELEBRATE AFRICAN CULTURE:** Students will have the opportunity to learn about African cultures and explore the diverse traditions, languages, music, dance, and art forms that make Africa unique.
2. **FOSTER DIVERSITY AND INCLUSION:** By learning about Africa's diverse history and contemporary society, students will develop a greater appreciation of cultural differences and the need to nurture empathy and respect for all individuals.
3. **PROMOTE KINDNESS AND GLOBAL CITIZENSHIP:** Through interactive activities and discussions, students will explore the importance of kindness, empathy and develop an understanding of the challenges faced by African communities.
